

Camping fees

Camping fees must be paid for each person for every night they stay. Entrance fees must also be paid, if they apply, but only on the day you arrive. Parks with entrance fees are listed in this brochure.

For example, two adults camping at Cape Le Grand National Park for four nights will pay:

2 adults x 4 nights x \$10 per adult per night plus \$12 entrance = \$92

If you hold a park pass you only need to pay for camping.
