The Pinnacles Desert Discovery is a unique and spectacular experience within Nambung National Park, 200 kilometres north of Perth.

Rising mysteriously from the dune sands are thousands of limestone pillars, up to four metres tall, a landscape in eerie contrast to the surrounding heath. Some are jagged, sharp-edged columns, rising to a point; others resemble tombstones. What exactly are the pinnacles? What natural processes have created these odd and spectacular structures?

Visit the interpretive hall to find out more about the formation of the pinnacles.
For your safety and to protect the pinnacles, no climbing please.

Leave your pets at home.

Tracks
- Pinnacles Drive, 4km one-way loop
  There are parking bays along the drive
- 1.2km signed walk

Key
1. Entry station
2. Interpretive hall and gift shop
