Discover Carey Brook

The quiet camp sites at Carey Brook are the perfect place to base yourself to explore the natural surroundings.

Must see

Situated next to the crystal-clear Carey Brook, the camp sites are set among lush marri and jarrah forest, interspersed with groves of sheoak and peppermint. These quiet camp sites are an ideal place to stop for a night, a weekend, or even longer.

Carey Brook, which lies within Hawke National Park, offers vehicle-based camping and is accessible by conventional vehicles.

Grasstree Hollow is the smaller of the two camping areas and consists of seven shady camp sites with picnic tables. These sites vary in size so you can pick a site that suits you.

Snottygobble Loop is a kilometre further down Boat Landing Road and provides visitors with a choice of 11 camp sites tucked away in the peppermint forest. There is a group camping site which is ideal for larger groups and a shared camp kitchen facility for all visitors to use.

Getting there

Carey Brook is 25 kilometres west of Pemberton via the Vasse Highway on Boat Landing Road.

Things to do nearby

Donnelly Boat Landing

Launch your boat or canoe at Donnelly Boat Landing for an 11-kilometre trip down the Donnelly River. Enjoy the spectacular scenery or throw a line in for some fish.

Beedelup Falls

These falls cascade for 100 metres over a series of steep granite rocks. The falls are in full flow in winter and spring, and can be viewed year round from the lookout platform or the suspension bridge.

Karri Forest Explorer

This 86-kilometre scenic drive winds through some of the south-west's most magnificent karri forest. You can join it anywhere along the route and there are many features and stopping points to enjoy and explore along the way.
