Nestled among shady peppermint trees on the western side of Martins Tank Lake, this campground provides a range of camp sites to help you have a pleasant and comfortable camping experience.

**Which site is right for you?**

Please camp only at the sites provided

- **Campground Host (site 1)**
  the Campground Host (when present) can be found at site 1.

- **Walk-in sites (sites 2-6)**
  offer a more intimate natural setting with space for one small tent and are accessible by walk trail. Car parking bays are provided at the northern end of the campground for these sites.

- **Individual camping sites (sites 7-13, 15, 17, 19)**
  cater for up to two vehicles (or one vehicle and a small trailer) and one small tent.

- **Camper trailer and campervan sites (sites 14, 16, 18, 20, 21)**
  8m x 4m space plus parking for one vehicle.

- **Group camping sites (sites 22-25)**
  provide for two to five small tents. A limited number of bus and trailer parking bays are provided in the central area of the campground for these sites.

- **Caravan sites (sites 26-34)**
  are located at the southern end of the campground and can accommodate caravans, camper trailers or campervans to a maximum of 8 metres in length or 3.2 tonne.
