<b>Best Seasons:</b>	Late Autumn, winter, spring.
<b>2007 Streetsmart:</b>	Map S5, Ref L2

Healthy Parks  
Healthy People

Situated between Great Southern Highway and Brookton Highway, this 44 000 hectare park features areas of wandoo forest and granite outcrops. The Mount Observation picnic site is situated off Great Southern Highway, 80kms from Perth via Great Eastern Highway and The Lakes.

Wandoo National Park was created under the State Government's *Protecting Our Old Growth Forests* Policy and was gazetted in 1995 as a National Park. The current name (Wandoo National Park) may change at some point in the future as a result of public consultation and management planning processes.

### Facilities

A picnic area is located at Mount Observation. There are shaded picnic areas, wood barbecues, toilets and a wildlife viewing hide. The viewing hide was constructed with assistance from the Darling Range Branch of the WA Naturalist's Club.

The picnic area is situated amongst wandoo woodlands and a short walk trail leads from the picnic area to the animal viewing hide, which is located overlooking a winter flowing creek. During winter a wide variety of birds can be seen and heard in the area, amongst the creek line vegetation.

### Caring for Wandoo National Park

**Be Careful:** Your safety in natural environments is our concern, but your responsibility.

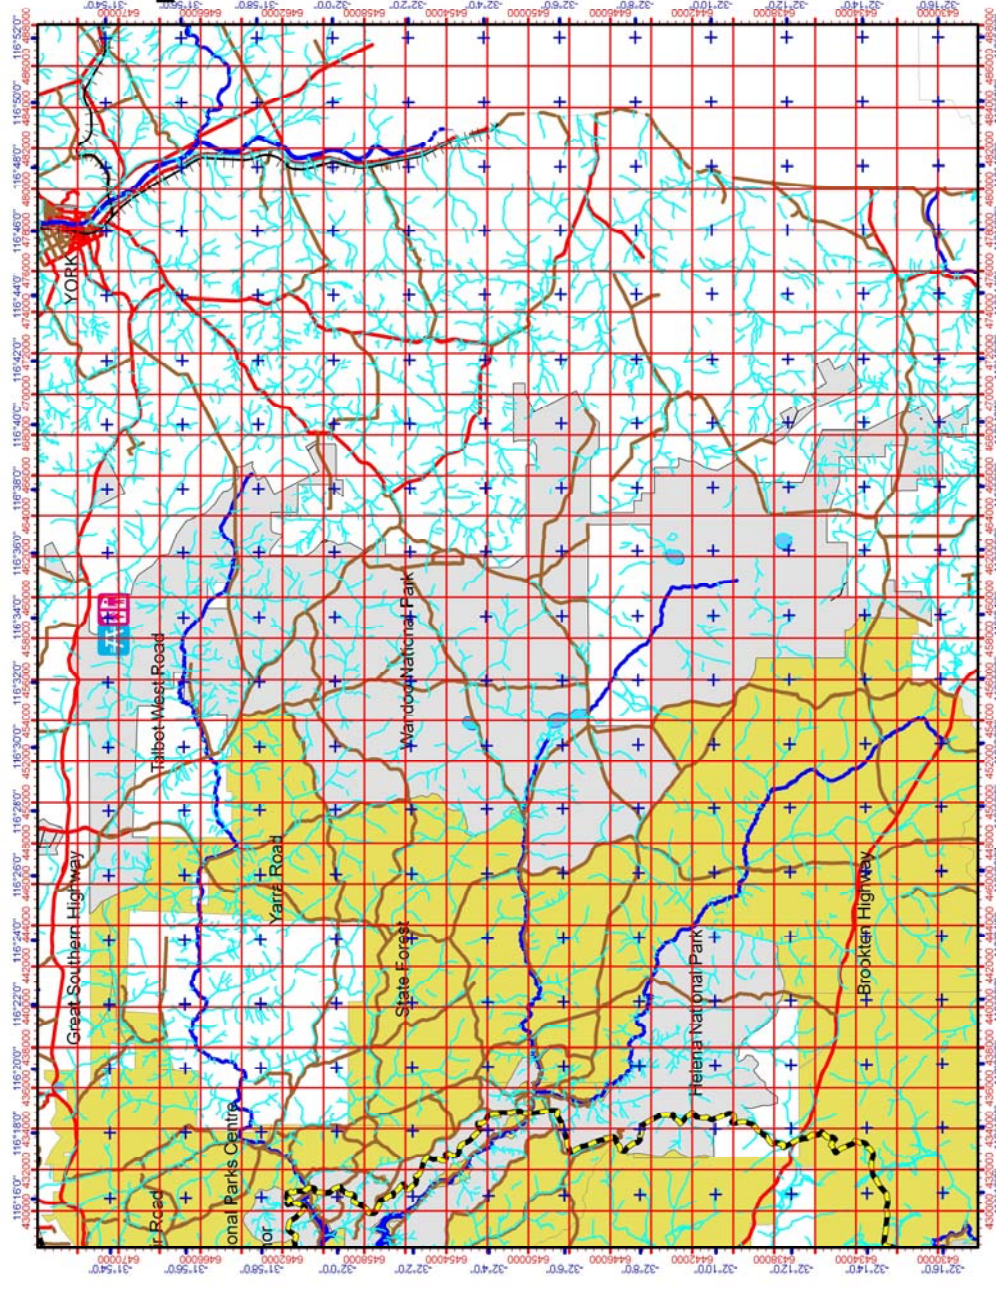

**Be Clean:** There are no bins provided, so please take your rubbish home with you.

**Be Cool:** Please use the fire rings provided and only light small fires. No fires are permitted on days of High, Very High or Extreme Fire Danger.

**Be Prepared:** Carry drinking water at all times.

**Protect Animals and Plants:** Dogs, cats and firearms are not permitted in national parks.
