## Sika Shared Use Trail (walk/cycle)

## Jabitj Trail (walk)

Class 3 6km (12km return).  
Allow 2 hours each way.

Jabitj (pronounced jabich) is Noongar for 'running water'. This moderately strenuous trail follows the Collie River between the Kiosk and Honeymoon Pool. It passes a series of deep freshwater pools and large granite outcrops while winding through mature forest. Colourful wildflower displays occur in spring. Enjoy scenic views over the river.

## Kurliiny Tjenangitj Trail (walk)

Class 3 5km to lookout and return or 9.5km loop.

From there a short steep climb rewards you with views over the jarrah forest and Collie River. You can choose to either return the way you came or complete the entire loop. Parts of the Jabitj and Kurliiny Tjenangitj trails follow the Munda Biddi Trail, walkers need to watch for cyclists.

The Munda Biddi Trail, Noongar for 'path through the forest', has sections of trail suitable for cyclists of all levels. This long-distance cycle trail stretches from Mundaring in Perth to Albany on the south coast, a distance of approximately 1,000 kilometres.
